

Ashgabat, Turkmenistan

To Mr. Manish Kaul (Country Manager)

Project : Ministry of Justice-2, Ashgabat, Turkmenistan

Object : PCIP Company Job completion Certificate

M/s Bouygues Batiment International, Challenger, 1, avenue Eugene Freyssinet, 78061 SAINT-QUENTIN-ENYVELINES (FRANCE) has signed an agreement with Government of Turkmenistan for construction of **"Ministry of Justice-2"** in Ashgabat, Turkmenistan.

This is to certify that M/s Bouygues Batiment International (BBI), France had awarded project **"Ministry of Justice-2"** in Ashgabat, Turkmenistan to M/s Pamposh Constructions India Pvt. Ltd. (PCIP), E-175, Greater Kailash-II, New Delhi-110048 (INDIA) having register of Company Registration Number 13782 as subcontractor of M/s Bouygues Batiment International for execution of structural works vide Contract No. MJ2 20.15 dated 17.07.2011, Block Works vide Contract No. MJ2 20.29 dated 15.11.2011 and VRD Works vide Contract No. MJ2 20.46 dated 23.01.2012 and additional work orders.

The total gross combined Contract value of all the works executed by Pamposh Constructions India Pvt. Ltd., under all the 3 Contracts and additional work orders is USD 1565230.87. (US Dollars One Million Five Hundred Sixty Five Thousand Two Hundred Thirty and Cents Eighty Seven only).

The Ultra modern office complex is to house the office of the Cabinet Minister and his deputy, a huge Auditorium, National Archives and Sport Area.

M/s Bouygues Batiment International, France, the Principal Contractor, engaged PCIP to execute the Structural Concrete Works, Block Masonary & Plaster Works and VRD works of the five storied structure with gross covered area of 45000.00 sqm. on a fixed labour rate basis. Major scope involved for execution of works included Reinforced Concrete 18000.00 cum (including Foundation, Rafts, Superstructure, Technical Rooms, Fountain, Retaining Walls, Internal Courtyard & Sports Arena, external beautification & landscaping), Reinforcement Steel 2200 Ton, Formwork 55000 sqm., Masonary 16000 sqm. and Plaster 22000 sqm.

M/s Pamposh Constructions India Pvt. Ltd. has completed the above scope of work in the stipulated time period of ten months.

It was pleasure to work with this professional company which is always available and flexible for all kind of jobs. They know the answers to our entire requests and manage workers in the special context of site requirements and Bouygues policies.

I recommended this company to all major Principal Contractors.

Best regards
