

"To Whom So Ever It May Concern"

This is to certify that M/s Carillion Construction (West Indies) Limited employed M/s Pamposh Caribbean Limited, 16, Sinclair Road, Shrewsbury, MA 01545, USA, as Subcontractors for part portion of Civil work construction of Viceroy Project at Anguilla (British West Indies) which comprised construction of Hotel, Villas, Back of House Building, Central Energy Plant Building, Landscape Maintenance Building etc.

The Letter of Intent was given to them in July-2007 and they mobilized approximately 300 workers from 25th Sep 2006 till 21st June 2007 in batches.

Our observations about Pamposh Caribbean are:

- a) That they are a highly motivated and an organized professional construction company for execution of civil works on subcontract.

- b) We have found Pamposh Caribbean fully conversant with the logistics and appreciate the organized manner in which they mobilized a highly professional team of workers in different disciplines of work from a far off distance from India to Anguilla (West Indies) including Engineers and Supervisors.

The works were executed in a very proficient manner from Sep-2006 to July-2007.

- c) M/s Pamposh Caribbean also gave us support services in the form of Operators / Mechanics etc.
