TO WHOM SO EVER IT MAY CONCERN

This is to confirm that M/s Pamposh Constructions India Pvt. Ltd (Regd. Office at 15 L.S.C, Pushpa Bhawan, Pushp vihar, New Delhi, India) has been employed since **Sept.2006**.

With M/s Bouygues Batiment International and Target Engineering construction co. to undertake structural concrete works for Ritz Carlton Hotel (Apartments) project at Sheikh Zayed Rd. Dubai (U.A.E) and completed in **March - 2008**

Pamposh also provided specialized operatives for their logistics and constructions machines Viz. Electricians, Electro -Mechanics and operators for Tower Cranes and JCB's.

We have found them to be a professional company having motivated and dedicated team of workforce including their country manager, project manager, site engineers, land surveyor, site supervisors (Foreman) who are conscious of time, quality and are conversant with the latest construction methods.

We confirm that hiring of M/s Pamposh Const India Pvt Ltd may be a solution for execution for all type of construction works.
